Dear Sharon,

This summer I'm going to miss your piano playing. This year has been a lot of fun and I'm looking forward to next year. Seemed like I was always down in your room talking or getting a book. May the Lord continue to bless and keep you. Elinor Newell

Dear Sharon, It sure has been nice to know you this year. You have helped to liven up this busy College life by your good sense of humor. May God richly bless you and guide you in the future.

Love, Esther Johnson:

Sharon,

Well, little sis, it has certainly been a pleasure knowing you this year. You certainly are a wonderful person and I can wish for you nothing but the best. Remember me down in old Virginia teaching next year and drop me a line.

God Bless you "little sis"

Doorways To Tomorrow

I know thy works:
behold, I have set before thee
an open door,
and no man can shut it:
for thou hast a little strength,
and hast kept my word,
and hast not denied my name.

Rev. 3:8.

ask and it will be given you;
seek, and ye shall find; knock

DEDICATION

The Marionette Staff takes pride in dedicating the 1957 yearbook to Dr. Donald H. Porter.

Dr. Porter is an alumnus of the Marion College Class of 1929. He graduated with both the A.B. and the B.S. degrees. While in school he was business manager of the Marionette in 1928 and editor in 1929. These positions furnished practical experience applied to the annual now.

His M.A. degree was obtained from Indiana University. Dr. Porter then taught at Marion College. Later he again went to I.U. to work on a Ph.D. and it was completed in 1950. He was the thirteenth person to obtain this degree from I.U. Dr. Porter remained at Bloomington until 1952 and was an instructor in the department of mathematics. Then he returned to the staff of Marion College. Under his expert guidance the science and mathematics departments have experienced an increased yearly enrollment.

Science and math may be his major interests but playing tennis and following baseball are next. When asked about the field of chemistry, Dr. Porter replied, "I do not like to wash dishes."

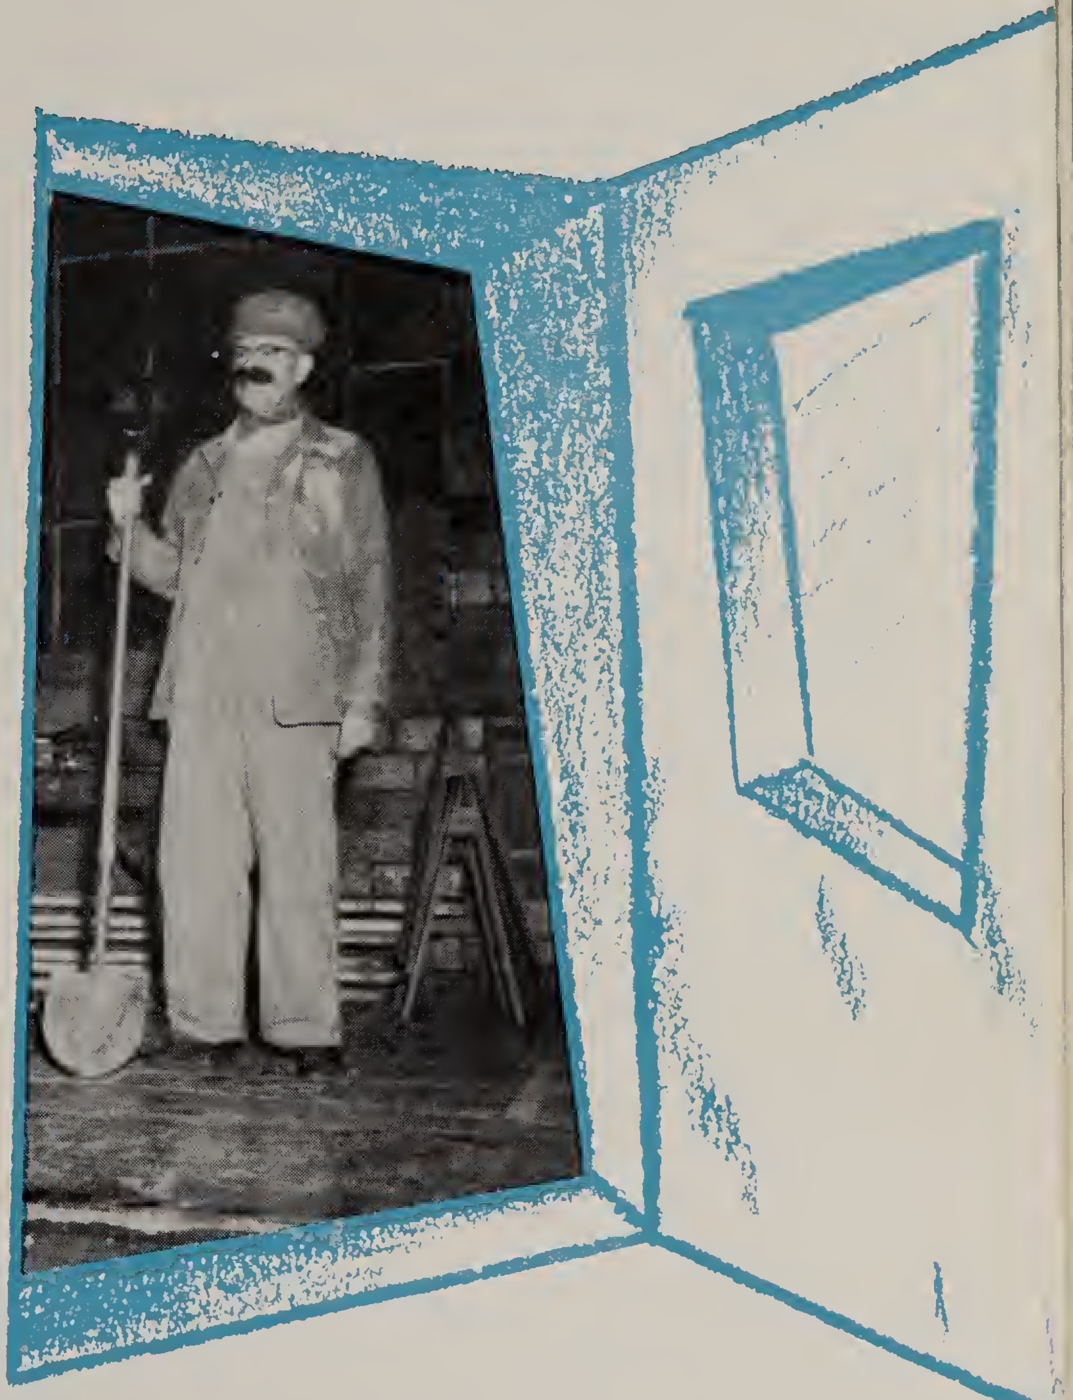
He is one of very few men who really understands the theory of the fourth dimension. This knowledge is always applied to spiritual values.

A few claim contradiction between science and the Holy Scriptures, but Dr. Porter is a staunch believer in the fact that there is no disagreement between the two. That he is a God-fearing man can never be mistaken.

As the advisor of the Marionette, Dr. Porter is always ready to lend a listening ear. Much of his time is spent in conferences with printers, photographers, engravers, staff members, etc. Without him there would be no Marionette.

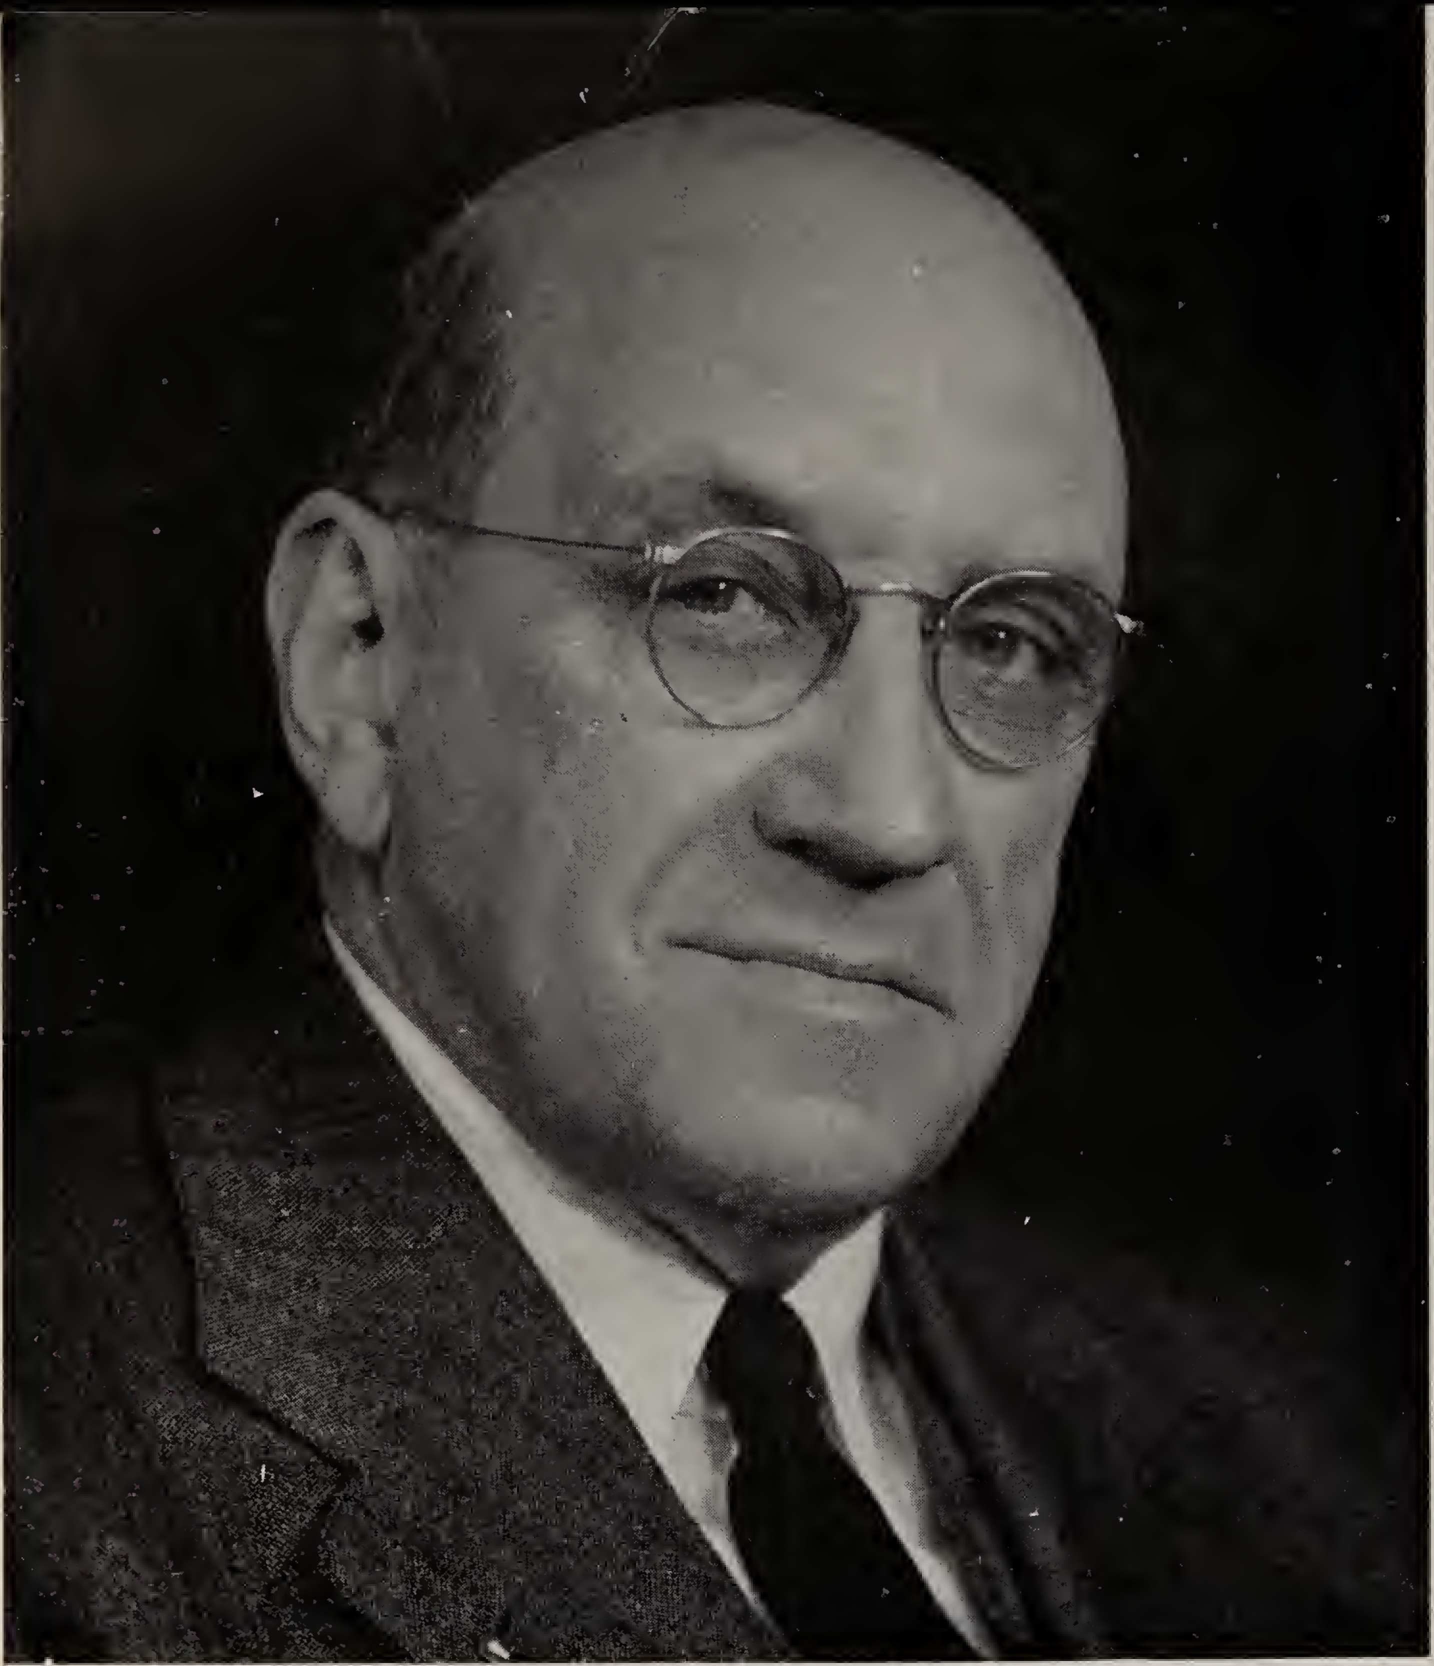
Dr. Porter and son, Terry, at the Faculty Smorgasbord.

Leadership



Wisdom is the principal thing:
therefore get wisdom;
and with all thy getting get
understanding.

Prov. 4:7.



WILLIAM FINNEY McCONN

President

ADMINISTRATION

Serving Marion College for the past quarter century, Dr. McConn has been fully occupied with the formal task of college president; yet he has never hesitated to take time to open the door of his office to all students seeking counsel — both academic and spiritual. No one has been a greater influence toward drawing Marion College and its constituency upward than our president. His service has been tireless, selfless and indispensable. Because of his time and service given to Marion College, we are better able to open new doors to leadership, scholarship, stewardship, sportsmanship, friendship, and salesmanship.

"Choose well; the choice is brief but endless." Goethe. This was the motto for the class of 1957. In these words were found the significance of the activities of the class as a group and also as individuals. The school year began early for the seniors because they returned early to plan the activities for freshmen orientation. On Oct. 6 the class sneaked to Detroit, Michigan, and Windsor, Ontario, Canada. A Christmas party was a festive occasion. The Junior-Senior Banquet and then the Alumni Banquet concluded the activities before graduation. Funds were raised for a class project to buy some library equipment. Pledges were taken for the Student Foundation Fund. The choice to attend Marion College was important but the impact on the lives of her graduates is endless.

September, 1956. At last the class of '58 are upper classmen. They came to the campus with high anticipation and expectation for a successful year. To lead them they chose John Crim, Silver Lake, Indiana. Of course, the first weeks of school they were straining their ears to get inside information concerning the Senior Sneak. The big day came as the Seniors flew to Monument City but the Juniors were on their toes — they found them and gave them an unforgettable farewell. Ordering the charcoal grey sweaters with white letters was done with much secrecy and excitement. The highlight of the year came in the spring when they entertained the Seniors at the Junior-Senior Banquet. To this occasion they pledged their enthusiasm, untiring efforts and dues.

The Sophomore year started with a bang! The freshmen were duly initiated with the chapel hour being devoted to the installation of class officers. They compensated by entertaining the freshmen at a party that night. The Sophs, realizing that this is their second year at MC, settle down to more serious study, finding this year's subjects require more work. Class colors—royal blue and gold—were used for jackets. The motto was "Forward, higher, and stronger." The scripture chosen was Phil. 3: 13, 14. The girls' basketball team was the class tourney champ for this year. The bright highlight of the year was to be found when the Taylor University Sophomores were invited here for a fellowship party. Elements like these make the Sophomore of today the Junior of tomorrow.

Although it took a while to get used to being called "Frosh" again, the Freshman Class of '56-'57 eagerly entered college life. Coming from many parts of the nation, they found from the very beginning a welcome and friendly spirit at Marion College which helped them to quickly adjust to the new life. They chose as their class officers these qualified members of the class: Julius Strand, Pres.; Dean Kring, Vice-Pres.; Charles Adkins, Sec.; Beverly Sheets, Treas.; John Clifford, Chaplain; and Judith Kerschner, Student Council Representative. During this year the Freshman Class has endeavored to grow intellectually, spiritually, and socially, in order that it may ever uphold the ideals of the school which it has chosen and now considers as *its* school.

minister the same one to another,

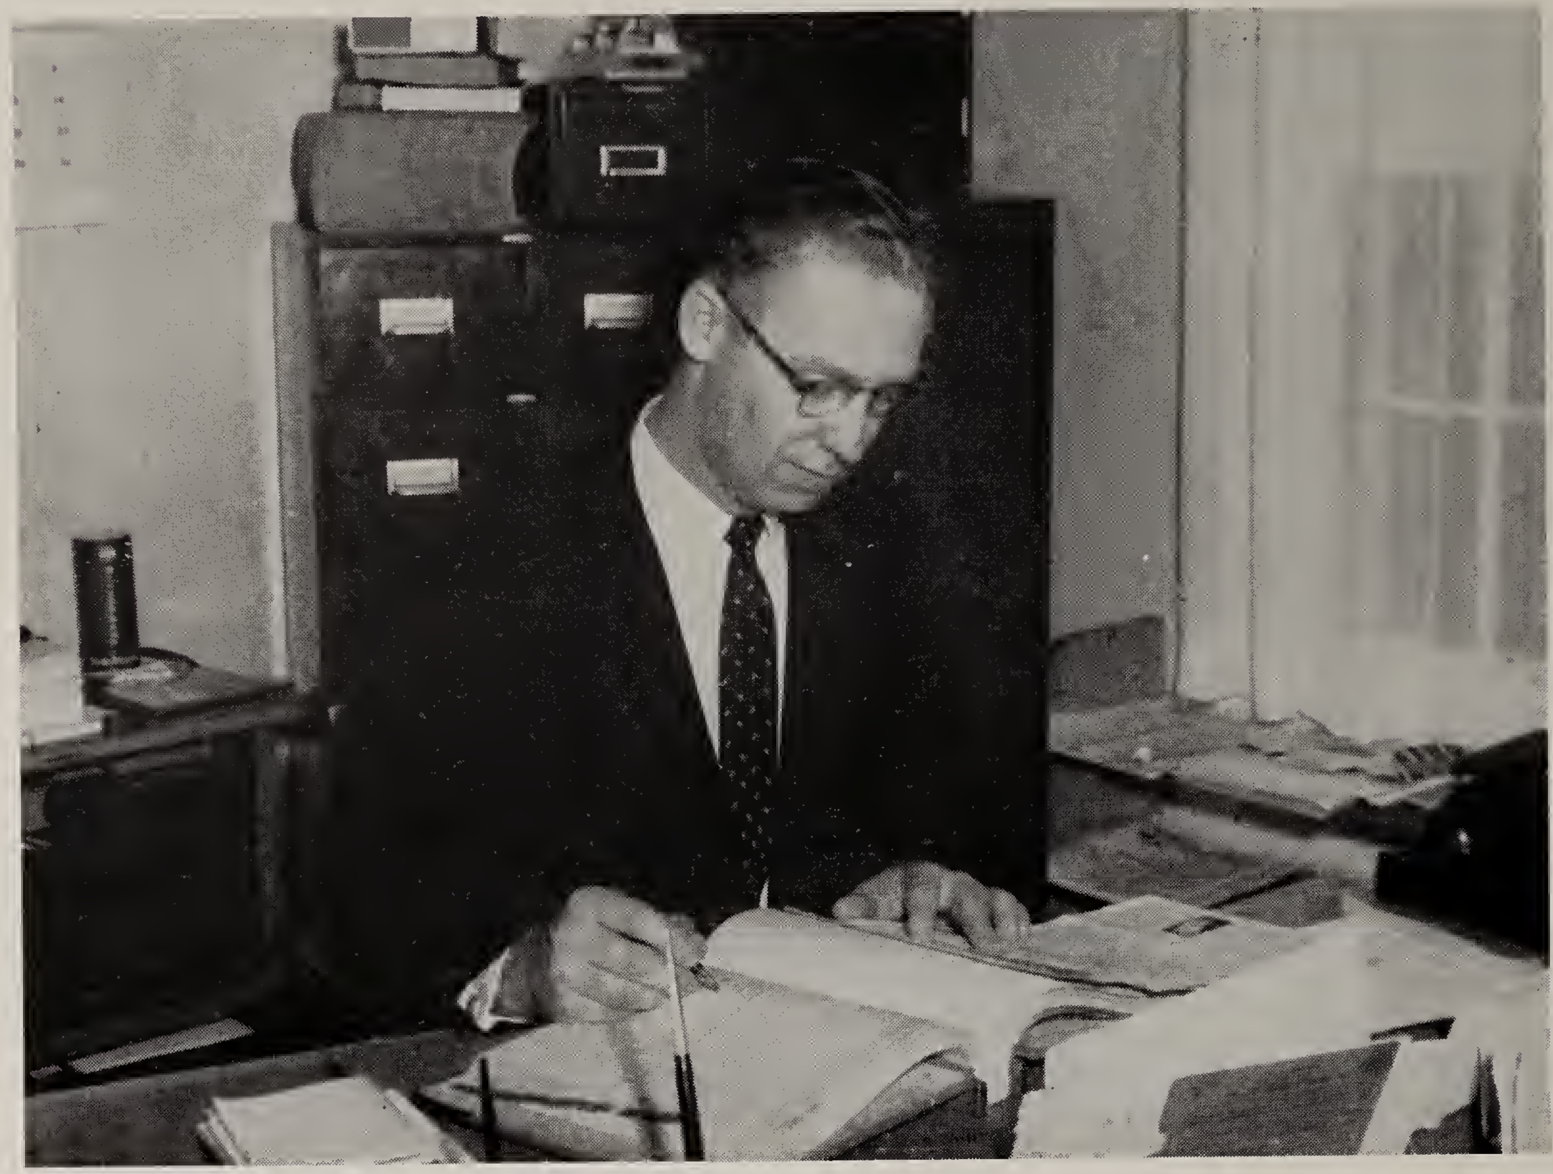
THE PASTOR AND FAMILY



Joyous, sorrowing, perplexed – all may find consolement and counseling at 4007 Landess Street. What is so special about this address? It is the home of Rev. and Mrs. Garl Beaver and David.

Rev. Beaver came to us from Lafayette, Indiana, this year. He has very faithfully served as College Chaplain and has frequently brought us very inspiring chapel messages. At the College Church our pastor has inspired us as he presented God's word to us.

Although his responsibilities were many and his time limited, he was never too busy to give a cheerful greeting or lend a word of encouragement.

MINISTERIAL ASSOCIATION

This organization is made up of students preparing for the ministry or any type of full time Christian service. It might be said that the purpose of the organization is to "... Seek" the lost men and women by going through the door to service at home. Spreading the gospel message by means of a public address system at the street meetings held in Marion and the surrounding community is one of the various means by which this organization spreads the good tidings of Christ.

STUDENT CONFERENCE

"Knock and it shall be opened to you." The Student Conference meets each Tuesday evening for singing of favorite gospel hymns, sharing of personal victories in words of testimony, and fervently praying for campus as well as world-wide needs. This group is responsible for regular services in the county jail, factories, social institutions, and organization of the gospel teams. The students who attend the mid-week prayer meetings elect the leaders for these various services.

Dr. Dayton, Sponsor; B. McChesney, Jail Evangelist; H. North, President; S. Miller, Delta Evangelist; R. Enyart, Sec.-Treas.; D. Murphy, Vice President.

GOSPEL TEAMS

J. Mack, H. Bardsley, M. Pierce, H. North, leader; D. Warner, D. Harvey.

"I am the door: by me if any man enter in, he shall be saved, and shall go in and out and find pasture." John 10:9.

The five gospel teams, sponsored by the Student Conference with Professor Titus as Director, have shown Christ the Door to many people in various states and denominations. Talented and consecrated ministers, musicians, and artists under the guidance and leadership of the Holy Spirit have presented the Christ who is waiting admittance to every heart-door, in such a way that many souls have been greatly challenged to a new relationship with Christ.

J. Johnson, F. Brockman, M. Graham, V. Root, D. Chrispell, leader.

GOSPEL TEAMS

FOREIGN MISSIONARY FELLOWSHIP

"You must open the door." The Foreign Missions Fellowship which meets each Tuesday, following the lunch hour, emphasizes the enthusiastic zeal and adequate preparatory training for those students who have definite calls to Christian service in foreign lands.

The core of these weekly meetings consists of prayer and discussions to promote a missionary vision and spirit on the campus which will inspire Marion College students to pray for, send money to, and go as leaders to open the doors to the needy souls in foreign lands. The highlight of the year's activities is the joint sponsorship of the annual Missionary Convention.

WESLEYAN YOUTH

The Wesleyan Youth Organization of the College Church is closely associated with campus life although it is not a campus organization. This organization is composed of college youth who hold their meetings each Sunday evening prior to the regular church services. This group assists in making the arrangements for the Missionary Convention. The officers work in co-operation with the other Wesleyan Youth leaders in Marion to sponsor the annual Youth Week Services. The vital importance of a completely surrendered life to Christ is given special emphasis when opening the door to Christian service.

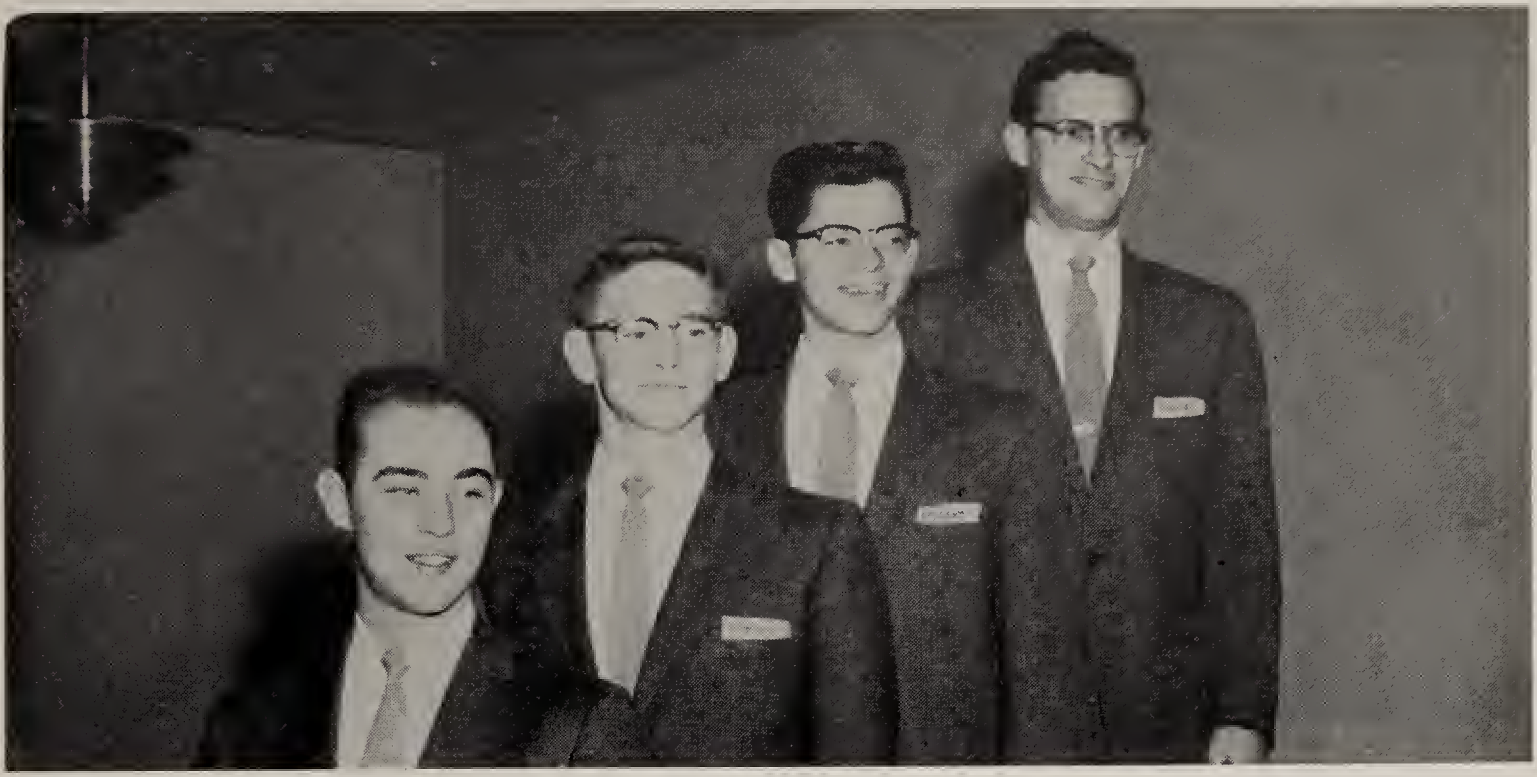
VARSITY QUARTETS



Winter Quartet: Len Deters, 2nd tenor; Don Carlson, 1st tenor; Keith Fraker, bass; Jim Blackburn, baritone.

The Varsity Quartets of Marion College are organized for a twofold purpose. "... Let us sing, sing, sing," expresses the purpose to carry the gospel message in song. Secondly, the group travels with Howard Noggle, field representative, to encourage prospective students to attend Marion College.

Michigan, Wisconsin, Indiana, and Tennessee are represented in the quartet for the school year, 1956-57. Whether from north or south they have blended their voices to sing the praises of the Lord throughout the Marion area.

The summer quartet travels during the entire season from June until September. Besides singing in churches, many appearances are made at youth camps and Bible conferences. Here again, many young people become enthusiastic about attending Marion College.

Summer Quartet: Pierce Brane, baritone; Phil Smith, 1st tenor; Keith Fraker, bass; Jim Rowe, 2nd tenor.

REVIVALS

Evangelists:
Misses Carrie Hazard and Lois Richardson

Song Evangelists:
Rev. and Mrs. Kenneth Knapp

Truly the vision of Marion College students has been enlarged by the special services of this school year. The Fall revival was conducted by Rev. V. A. Mitchell with Prof. Herman Baker, head of the College Music Department, in charge of music. For our workers during the connectional Youth Week, we had Rev. Quentin Everest and song evangelist, Rev. Orville Butcher. The Spring revival was under the leadership of Misses Carrie Hazard and Lois Richardson with Rev. and Mrs. Kenneth Knapp conducting the music.

These were times of gracious victory for those willing to obey God in His command to open the door of our hearts so that we might win others for His kingdom. "When Jesus comes in, He will save you from sin; but YOU must open the door".

Youth Week:
Rev. Quentin Everest, Evangelist
Rev. Orville Butcher, Song Evangelist

Fall Revival: Rev. V. A. Mitchell

FOREIGN MISSIONS

Convention Speakers: Mr. Nate Scharff, Mrs. Johnson, Rev. Harold Johnson.

"The Whitened Harvest Field" was the theme of the Missionary Convention held October 10-14. Mission fields in Japan, Mexico, Israel, and South America were represented by Rev. and Mrs. Harold Johnson, Mr. Nate Scharff, and Miss Erma Steinacker.

Our hearts were greatly stirred during the consecrated messages of these spiritual door-openers. Our vision was lifted upward and outward to the people whom we can see through Christ's open door to missions. This was not just another annual Missionary Convention, but a time of blessing and great challenge to every Christian.

EUREKANS

WANTED—EXCITEMENT! If anyone had that kind of thought in mind, they could have dispelled it after the most thrilling basketball season Marion College has ever known. With the series tied at three games apiece, the Eurekans squeaked by in the final game by one point.

The Eurekans' talent-laden team had four returning starters and a powerful group of freshmen that could put out a second team nearly comparable to the first string. Bruening was the Eurekan high scorer with 105 points for a 15 point average, but was edged in average by Burket who netted 15.25 in five games. Captain Harvey, Huber, Crim and sharp shooting Brunner rounded out the first team with Leech, Chrispell, and Griswold to fill the holes.

AMPHICS

The Amphics, pre-season underdogs, made an admirable showing by grasping the first two games, taking a three-two lead in the series, and demanding that the Eurekans fight for the trophy. Anchored around an excellent shot and rebound man, Kaiser, who tallied 126 points for a 19.3 average, the Amphics took the 1957 season to the wire.

Carlson, Landis, Carter, Baker, Bardsley and Captain-Coach Killian made up a team that had height, speed, and shooting ability.

NOTE: Neither team loses a player by graduation. Be expecting a good season next year.

FOOTBALL

The Amphic football team won the opening game of the five game series by a close score of 7 to 0. The Eurekans won a close 6 to 2 victory in the second game. The third game proved to be even closer than the two previous games. Neither team's defense allowed a single score and the game ended in a scoreless tie.

The Eurekans went ahead one game in the football series by winning the fourth game 12 to 6. The Eurekans won the final game by a score of 14 to 0, giving them the championship for this year.

SOFTBALL

Even though spikes touching home plate meant runs for the Eurekans; it meant more runs for the Amphic crew. The Eurekans got off to a good lead with a score such as 9 to 0, but the persistant, hard-hitting Amphics came back from these seemingly unsurmountable leads to win the majority of games and cap the 1956 softball series. Other Amphic wins included scores such as 17 to 14 and 8 to 4.

TRACK

Speed and endurance made Dave Sloan the Cross Country Champ for the fall of '56 season. He outran Don Carlson; Julian Bruening, the defending champ; and Dale Harvey in that order as the first four finishers. With only Carlson on the Amphic squad, the Eurekans were the winning team.

The 1955-56 season was a large success for the track teams since they used the Marion High track. The Eurekans won the season meet with a score of 73-54. There were three letters awarded for individual honors with more than 10 points in the three week meet. Bruening won 4 individual events and received 23¼ points; McKinley won 3 individuals with 18 points; and McIntyre 15¼ points in two wins.

BASEBALL

MC's first hardball season was a huge success—especially for the Green and White. They won the 1956 season series by 2 games to 1. The scores were 7-9, 5-0 and 3-1.

The outstanding performer was Eurekan pitcher, Brunner, who struck out 17 batters in a possible 21 in the second game of the series. Weatherby was the only hitter and he knocked three solid singles.

Although the Amphic crew put up a gallant offensive, the Eurekan's strong attack led them to a final score of 3-1 to capture the series.

PING PONG

Julian Bruening dominated the 1956 Table Tennis Tournament as he went through the tourney without losing a game. Vern Root, a hard-hitting senior, was runner-up. Prof. Huffman and John Crim were the other semi-finalists.

Since three out of the four of the semi-finalists were Eurekans, the unofficial society table tennis champions were the green and white clan.

FOOTBALL ALL-STARS

Teammates chose the hardest blockers, swiftest runners, glue-fingered ends, and best passers for their All-Star choices. The fellows who have won this title for themselves have worked long and hard to play the best game possible with the pigskin. The All-Stars left a final mark of their superiority by defeating the No-Stars 9-0 in the annual post-season game.

Eleven basketeers were selected by fellow team members of both societies to represent the 1957 Basketball All-Stars. They were chosen on a basis of their athletic ability, sportsmanship, and teamwork. The spectators have admired their ability in manipulating the ball, their keen-sighted strategy, good sportsmanship, and fair play.

STUDENT COUNCIL

The Student Council is *our* council. It is the voice of the student body to secure a closer relationship among the students and between the faculty and the students. Meetings are held twice a month to discuss student government and to plan other activities for us. Funds are raised annually for a project to purchase something that the school needs.

The council can only function as they have the support and cooperation of the faculty and student body. Suggestions to them are always in order. No organization can rise any higher than its membership and the leadership is chosen from that. So affirm your democratic rights by helping the Student Council open the door to the future.

The colorful Euphic Convention welcomed many new crew members on the eventful, annual Rush Day. Society spirit has kept at a high pitch this year. The members have realized the supreme importance of good sportsmanship and friendship.

A good showing was made by the group teams on the football field, basketball floor and ball diamond. The colorful red and white of the basketball season reflected heart-felt loyalty.

Prof. Huffman has proved an inspiration and a capable advisor. Club and sponsor have endeavored to uphold the high principles of the club in friendship and equality. And thus they cry, "Sail on!"

EUREKANS

"Memories" was the theme of the Eurekan Rush Day activities to welcome new members to the society. Consistent hard work brought the club a season's victory in the football series. The girls were the victors in the basketball series. The three top MARIONETTE salesmen of the year were from this group, who also won the MARIONETTE contest, which began on Homecoming Day.

The wearers of the green and white have endeavored to promote an atmosphere of friendly competition and spirited rivalry among the students. Dr. Dayton has been the capable sponsor and understanding counsellor of this society.

MARIONETTE

The MARIONETTE for 1957 is the school year in pictures. It is not only for the present but it also preserves our memories for the future.

The staff has worked diligently to produce a book worthy of the name MARIONETTE. Plans were laid in the summer of 1956 in order to get an early start. The finished book is the prize after a year of seemingly endless effort.

When the MARIONETTE is put into your hands, remember that it is the reflection of another year at MC and that the images are not behind closed doors, but are the rays of light to shine through the doorways to tomorrow.

JOURNAL

The JOURNAL is Marion College in print. The coverage includes every phase of school life from academic to social.

Deadlines, delays, and dummies are all a part of publishing a college newspaper. Before the finished copy is distributed, at least fourteen steps are a part of the process from the college to the printer and back.

Suggestions and constructive criticisms are always welcomed by the staff. The JOURNAL is our paper, so let's make it and keep it that.

CHORUS

A group of enthusiastic singers was responsible for the strains of music that drifted over the campus each Monday night as they rehearsed for the Community Chorus. This group of people, composed of students, faculty, and neighbors, sings special praises to the Almighty at His special seasons — Christmas and Easter.

Under the direction of Professor Herman Baker, the Chorus sang the traditional Handel's MESSIAH during the Christmas season. This oratorio, Handel's most successful and best known, was composed in the year 1741, in twenty-four days.

During the Easter season the group presented Mendelssohn's ELIJAH. This was the first time in four years that this great oratorio was presented here. Hearts were blessed and spirits were lifted as the beautiful rendition turned thought upward to the resurrected Christ.

Good singers!

CHOIR

This year the Choir travelled beyond its usual boundaries into the states of Wisconsin and Kentucky, bringing the message of hope, peace and joy into the local churches of the Marion area.

All members of the Choir have sung their way into the hearts of those who have heard this ministry of praise to God.

The twenty-two voice Choir, under the direction of Prof. Herman Baker, and accompanied by Madelyn Marsh, seeks to present the Christ to those who come under the sound of its voice, while at the same time representing Marion College.

The memories of wonderful Christian fellowship and spiritual blessings overshadow the memories of aching feet, heavy eyelids, and burning throats. The experience gained from being in the Choir has made a definite imprint in the hearts and lives of all those who have participated.

BRASS ENSEMBLE

The Brass Ensemble, directed by Mr. Franklin Shannon, was a new organization on Marion College campus this year. It was organized for those who play wind instruments and to provide music for school activities.

The fifteen members were really the members of a band. As new members join in future years, it is hoped that a band will finally result. Regular band music, both original and transcribed, was in the repertoire. New music just published for wind ensembles was also included.

Several concerts were presented for the student body and the group participated in the final Music Recital. Calls were accepted to play for other special occasions outside the school. On Commencement day the strains of "Pomp and Circumstance" were heard from the Brass Ensemble.

ART FORUM

Every art lover is welcome to the Art Forum. This club has high ideals in raising the standards of appreciation of one of the finer phases of life. There are two major yearly projects which help fulfill this purpose, namely: the presenting of a Christmas program at the Old Folks' Home and the gardening of a beautiful flower garden near the Administration Bldg.

MUSICAE

"To promote interest and efficiency in the art of music through listening and participation."' With this purpose in mind the officers and sponsor have worked with the co-operation of the program committee to promote a greater interest in the fine art of music. Each member of the organization is a music lover and adds his contribution to the success of the club.

FORENSIC CLUB

Promoting interpretation in the field of Speech is the main objective of the Forensic Club. The selection of new members was made in the fall when those participating in the tryouts gave the reading "The Touch of the Master's Hand." A dinner reception for new members was held at the House of Chan. Through the activities of the year the members learned to develop platform poise and increased their skill in oratory.

RADIO SPEECH

The Radio Speech Club, formed of the class in Radio Speech, affords ample opportunity to gain experience in the occupation of radio broadcasting. Throughout the year it endeavors to stimulate general interest in the field of radio broadcasting and to practice and obtain skill in radio broadcasting production. The club also listens to current broadcasts to determine radio standards in announcing and production.

If so, facts plus fun are on the agenda for you in the French Club. They seek to gain a better understanding of the French culture and development of customs so that the language may be richer and more meaningful to them.

SPANISH CLUB

Habla Vd. el Espanol? The study of Spanish at Marion College is more than a study of words and symbols. Prof. James Elliott, sponsor and Spanish Instructor, has spent a number of years with the Spanish-speaking people of South America. WHO'S WHO

OUR COUNTRY AT THE CLOSE OF THE MEXICAN W
UNITED
FIFTEEN
FIFTEEN SLAVE STATES

Four outstanding seniors were approved to the honor of Who's Who Among Students in American Universities and Colleges. This group is chosen by the faculty after the submission of candidates by the Student Council. These students were chosen on the basis of scholarship, leadership, character, and ability to succeed. May the Lord bless these four as they open doors to the many fields of Christian service.

Just two years! Yes, Jim Blackburn has only been with us for two years, but in that short time has added his "spark" to the campus. Originally hailing from Rockwood, Tennessee, Jim came to Marion from Central College where he was active in choir, quartet, as business manager of the Centralian and many other activities. Continuing his activities here at Marion, Jim has actively worked in Student Council and Spanish Club. He has represented the school in gospel team work and the Varsity Quartet. As Senior Class president his leadership abilities have been evident. His consistent Christian life and living testimony have come to be appreciated by his friends and classmates. With confidence he has been given this place in Who's Who.

A quiet contributor to the campus, Doris Murphy from Dayton, Ohio, has been active in both cultural and religious activities. All four years she has faithfully served in gospel team work with her musical and speech ability. Presenting speech recitals, giving readings, and teaching child evangelism have all become second nature to Doris. She has served on the Journal Staff, as president of the Forensic Club, and as president of the German Club. In her class she was sophomore secretary and junior treasurer. Parnassus Club, F.T.A., I.R.C., C.C.C. presidency, and Student Conference have all added their load to her heavy extra-curricular schedule. Doris has proved herself as a sincere Christian and well deserves a place in Who's Who.

WHO'S WHO

Hailing from the Buckeye State, Priscilla Kuhn is found here and there on the campus —always doing something. Energetic and capable, she has manifest her leadership ability in F.M.F. as president, and as secretary in both the Ministerial Association and Missionary Project Committee. One of the highlights of her school life has been the Bahama Crusade in December of '55. The after-effects weren't so pleasant though, were they, Pris? (Remember the mumps?) Between evangelistic meetings, Priscilla has also found time to work on the Journal Staff, and be an active member of Musicae and French Club. As she continues to let God direct her life, we are sure she will be a blessing to those with whom she comes in contact.

Vice-President of the Senior Class, Jerry Terrill of Page, Nebraska, came to Marion after spending two years at Miltonvale College. While there, Jerry was a member of the quartet and music ensemble, and actively participated in other school activities. In his first year at Marion, Jerry represented the school in gospel team work. Whenever there's a party or some work to be done, Jerry is always ready to lend a helping hand. His friendliness and willingness to work have earned him the place of Senior class vice-president. Whether blending his tenor voice in a group, singing a solo, or just being helpful, Jerry has contributed greatly to school life.

WE ARE PROUD TO HAVE BEEN
SELECTED TO PRINT THE
1957 MARIONETTE

Autographs

Dear Sharon,

Must I say that I have enjoyed rooming with you this year. Well I have. Our many talks starting with English paper on which you did the most correcting to the talks about "B. and K.M.B.I. especially till one o'clock at night. The many times which we pulled funnies on each other, our endless trips to the corner, the Sunday nights at 12:00 or after, the race in packing to go home for just a weekend and all the rest. Actual when you stop to think about it how did we ever manage to do so many things. I must not forget to thank you for the candy bar's you bought me, or the coco and cookies, your alarm clock (both the old and the new) (the old one sure was a lot of fun), your awaking me up at 4 o'clock in the morning. I don't believe I could ever cram all of the memories which I have had while living with you this year in this small of a space I will just hope you will be able to remember them. I must agree with Prof that I believe you would be a very good counselor, at least I know you were with me. With my many moods you seem to be able to live through them with me. Wow!! I didn't know I had written so much, but I have enjoyed you so much I could go on and on. Sharon, do keep with the Lord, I hope someday I may be as far up the ladder of life in God's way as you are. Keep true and just let God's blessings fall upon you. The best of luck this summer and the rest of the years of your life. Now don't you forget to write. I don't think I can ever forget you and your French course plus your library work and class. Or your rearranging of the room when you were so tired you could almost drop. We had lots of fun thinking of different ways although it was kind of hard most time.

Your Roommate 1956-1957

Love Marjorie Brown

Dear Sharon;
It has been a
privilege knowing you
as a next door roommate;
a fellow "IRC" member; one
who loans me food without
having to pay, your book; one who
laughs at my jokes; helps me write
radio scrips; journal announcements;
and then most important of all one in whom
I have the utmost confidence in your Christian
life and spirit. Your prayers have all helped
to make me appreciate having you as a friend.
- Sincerely in Christ
Ethel Young

Dear Sharon,
We're glad you joined us here at the
Annex this year. You'll have to help
Ethel hold the roof down next year.
Maybe it won't be so bad - with a
few changes in personnel; huh? But
we've had lots of fun anyway.
May God direct all your paths
as you acknowledge Him.
Love:
Muriel

Dear Sharon,
It has been very good
Knowing you and hearing
your interesting speeches
in M.E. Grammar. May
Christ ever be the Center
of your life
In Christ
Dorlie Hurt

Dear Miss Sharon.
I am very happy to know you
indeed. You are so faithful
and sincere in this Campus.
Hak Sung Choi

Dear Sharon,
Its really been swell having
you as one of the girls at the
dear old Annex. We've had lots
of laughs and fun here this year.
Julian & I kept the parlor pretty busy!
Remember the time you got caught
in your ~~et~~ p.j's! Well its been
lots of fun. Try your best to be
good this summer & I'll be back to
see you next fall.
Judy Mosher

Dear Sharon,
I have enjoyed
knowing you this year.
You have a splendid personality and
your ready wit just about "slays" me.
Sure do wish the best for you and
I hope to hear from you in the future.
You are a swell friend. May God
bless you!
Sincerely
Lowena Pruitt

Dear Sharon,
I never thought I'd be in school with you again – but here we are. I appreciate your jolly sense of humor more than I do your intelligence because you knock my grades too low. I hope you'll always be happy in the Lord's will. Always remember U.S history.
Verna Jean Cole

Dear Sharon,
It has been kinda of just knowing you this year. Your personality I will never forget. Your jokes(?) I will try hard to forget. Remember me in the years to come.
Yours in Christ
Mary Jane Howe

Dear Sharon,
I have enjoyed getting acquainted with you – Remember all the times I bothered you in chapel. I wish you all the success in the world
Juanita Daniel

Dear Sharon,
It's been nice knowing you since I've been here at Marion.
The Lord bless your life,
Barbara Snyder

Dear Sharon,
To the best girl on campus, the one I've become to know + have as a friend + a partner in Grammar. Now as we take this test May God Bless You. Trust the Lord. Rom. 8:28.
Love
Anna Marie

Dear Sharon,
to thoughtful with the pony tail. I sure have enjoyed your cheerfulness always.
